

News Conferences and Interviews

News conferences and interviews planned or pre-arranged for school district activities will include the School Board and the superintendent. News conferences for issues requiring an immediate response may be held by the superintendent. It is within the discretion of the superintendent to determine whether a news conference or interview is held to provide an immediate response to an issue.

The superintendent will respond accurately, openly, honestly, and objectively to inquiries from the news media about the school district.

It is the responsibility of the superintendent to keep the School Board apprised of news conferences and interviews.
