

Sales Promotions Prohibited

Educational facilities, teachers, and students shall not be used in any manner for the promotion of sale of services or products of agencies or organizations operating for profit. The School Board specifically forbids such activities as the following:

1. Distribution by students of pamphlets urging students, parents, and others to purchase services or products sold for profit.
2. The sale by students or teachers of products and/or services, except in relation to production by students as part of the program.
3. Similar activities which would involve the teachers and students and which would interfere with the normal time and activities of the school.

Where the superintendent feel that the educational gain outweighs any promotional purpose, prior approval can be given by the superintendent to an activity.
