

Statement of Guiding Principles for Non-Instructional and Business Services

This series of the Board Policy Manual is devoted to the goals and objectives for the school district's non-instructional services and business operations that assist in the delivery of the education program. These non-instructional services include, but are not limited to, transportation, the school lunch program and child care. The School Board, as it deems necessary, will provide additional non instructional services to support the education program.

It is the goal of the School Board to provide non instructional services and to conduct its business operations in an efficient manner.
